**Discussion:**

Due to the fact that there was not a quorum present from DMAC, there were no actions determined during this meeting. However, discussion took place by those present on various topics related to the Bradley MOU, the way-of-work of the two bodies as it relates to the operations of DMAC and the need for training for DMAC members as it relates to the MOU. Dr. Grego provided members of DMAC present with a copy of the district's newly approved Strategic Plan and the document, Goal Statements To Eliminate the Gap. There was consensus to schedule another joint meeting between the two bodies once the training mentioned has taken place and topics of importance are identified for that discussion.

No official actions were taken by the Board at this workshop. An audio recording of this workshop is filed in the Board Office archives. This workshop adjourned at 3:03 p.m.
