

**PROCLAMATION**  
National Library Month, April 2016  
and  
National Library Week, April 10-16, 2016

**Whereas**, libraries are not just about what we have for people, but what we do for and with people;

**Whereas**, libraries have long served as trusted and treasured institutions, and library workers and librarians fuel efforts to better their communities, campuses and schools;

**Whereas**, libraries are evolving in order to serve their communities and to continue to fulfill their role in leveling the playing field for all who seek information and access to technologies;

**Whereas**, libraries and librarians open up a world of possibilities through innovative STEAM programing, Makerspaces, job-seeking resources and the power of reading;

**Whereas**, libraries and librarians are looking beyond their traditional roles and providing more opportunities for community engagement and deliver new services that connect closely with patrons' needs;

**Whereas**, libraries, librarians, library workers and supporters across America are celebrating National Library Week.

**Therefore, be it resolved**, that Board of Education of Pinellas Schools proclaim April 2016 as National Library Month and National Library Week, April 10-16, 2016. We encourage all residents to visit the library this week and explore what's new at your library, and engage with your librarian. Because of you, Libraries Transform.
