Section 1

- A. **Application:** The Application is approved by the Sponsor. A copy of the Application is attached hereto as Appendix 1 and constitutes a part of this Charter. In the event of any conflict between the Application and any other provision of this Charter, the Charter provision shall control.
- B. **Term of Charter:**
1. **Effective Date:** This Charter shall become effective on the date it is approved by the both parties.
 2. **Term:** The term of this Charter shall be one year commencing on July 1, 2016 and ending on June 30, 2017 unless terminated sooner as provided herein. The term shall be automatically extended on a month-to-month basis until the Charter has been renewed, nonrenewed, or terminated by the Sponsor. If the parties cannot reach agreement on the terms of a new contract, either party may request mediation from the FDOE, pursuant to section 1002.33(6)(h), Florida Statutes. If the Commissioner of Education determines that the dispute cannot be settled through mediation, the dispute may be appealed to an administrative law judge appointed by the Division of Administrative Hearings. The administrative law judge has final order authority to rule on whether proposed provisions of the charter violate the intended flexibility granted charter schools by statute.
 3. **Start-Up Date:** For the first year of operating under this Charter the School shall begin classes on the same day as the Sponsor or at such other time as otherwise agreed to by the Parties. The school cannot open absent submission of all required Pre-Opening documents as specified in Section 11 of this contract. In the event that the School has not submitted all Pre-Opening documents the School shall be afforded the opportunity to take one (1) planning year. The planning year does not extend the term of this Contract. Failure to open the School within 24 months of application approval is good cause for termination of this Charter.
 4. **School Calendar:** The School shall maintain the same school calendar as the Sponsor for the term of this Charter.
 5. **Charter Modification:** This Charter may be modified during its initial term or any renewal term only upon approval of both parties. No such modification shall be enforceable unless it is in writing and approved by both the Governing Board and the Sponsor. If the modification involves changes to the grade levels, except as provided by law for high-performing charter schools, the School must provide information acceptable to the Sponsor relating to curriculum, budget, facilities, and staff.
 6. **Charter Renewal:** This Charter may be renewed as provided for in section

1002.33, or 1002.331, Florida Statutes. A Sponsor may not require a charter school to waive the provisions of s. 1002.331, Florida Statutes, or require a student enrollment cap that prohibits a high-performing charter school from increasing enrollment in accordance with s. 1002.331(2), Florida Statutes, as a condition of approval or renewal of a charter.

5. Upon notice of termination or non-renewal the School shall not remove any public property from the premises.

E. Post Termination Provisions

1. If this Charter is not renewed or is terminated, the School shall be responsible for all the debts of the School. The District shall not assume the debt from any contract for services including lease or rental agreements, made between the School and a third party, except for a debt previously detailed and agreed upon, in writing, by both the Sponsor and the Governing Board and that may not reasonably be assumed to have been satisfied by the Sponsor.
2. In the event of termination or non-renewal of this charter, any and all leases existing between the District and the School shall be automatically cancelled, unless the lease provides otherwise. In no event shall the District be responsible under any assignment of a lease for any debts or obligations of the School incurred prior to such assignment.
3. In the event of termination or non-renewal any students enrolled at the School

may be enrolled at their home District school, or any another school, consistent with the District's student transfer procedures including transfer of all student records to the receiving school. All assets of the School purchased with public funds, including supplies, furniture and equipment, will revert to full ownership of the Sponsor (subject to any lawful liens or encumbrances) or as otherwise provided by law. Any unencumbered public funds from the charter school, district school board property and improvements, furnishings, and equipment purchased with public funds, or financial or other records pertaining to the School, in the possession of any person, entity, or holding company, other than the charter school, shall be held in trust upon the Sponsor's request, until any appeal is resolved. If the School's accounting records fail to clearly establish whether a particular asset was purchased with public funds, then it shall be presumed public funds were utilized and ownership of the asset shall automatically revert to the Sponsor.

4. In the event of termination, expiration or non-renewal of this Agreement, any and all leases existing between the Sponsor and the School shall be automatically cancelled. However, it is agreed that the Sponsor shall have, for a period of thirty (30) days subsequent to a termination or non-renewal, the right of first refusal to secure the lease on, or to purchase or possess the facilities used as the School's site. The School agrees that any lease obtained by the School with any third person shall include a provision that will grant the Sponsor such a right of first refusal. However, in no event shall the Sponsor be responsible under any assignment of a lease for any debts or obligations of the School incurred prior to such assignment.
5. Upon initial notification of non-renewal or termination of this Agreement, the School may not expend more than \$10,000 per expenditures without prior written approval of the Sponsor unless the expenditure was included in the annual budget previously submitted to the Sponsor, is for reasonable attorney fees during the pendency of an appeal, or is for reasonable fees and costs to conduct an independent audit.
6. Final Audit: Pursuant to section 1002.33, Florida Statutes, upon notice of non-renewal, closure, or termination, an independent audit shall be completed within 30 days to account for all public funds and assets. During the fiscal year in which the termination or non-renewal occurs, the Sponsor may withhold from the School's FEFP funds, without penalty or interest, an amount necessary to cover the costs for a final financial audit of the School. The audit shall be conducted by an independent certified public accountant.

F. General Statutory Requirements:

1. The School shall not discriminate in educational programs/activities or employment and shall provide equal opportunity for all as required by Federal, State and local law, rule, regulation and court order.
2. Additionally, the School shall comply with those statutes that specifically apply to charter schools as set forth in section 1002.33 generally, subsection 1002.33(16), and other applicable State laws. The School agrees that it will abide by all Federal and State laws, statutes, rules, and regulations applicable to charter schools and also abide by the terms and conditions of the Charter.

Section 2: Academic Accountability

Student academic achievement for all students shall be the most important factor when considering whether to renew, non-renew, or terminate this charter.

A. Annual Objectives:

1. By September 15th of each year the Sponsor shall provide the School with academic student performance data on state required assessments for each student attending the School that was enrolled the prior year in another public school, pursuant to s. 1002.33(7)(a)3., Florida Statutes, provided that the Sponsor has received proficiency data from the Florida Department of Education. If proficiency has not been transmitted by the Florida Department of Education, the deadline in this paragraph will be extended until such time as such data is received and processed by the Sponsor. The Sponsor may fulfill this requirement by providing the School access to the data.
2. By September 15th of each year the Sponsor shall provide the School the rates of academic progress for the prior year for comparable student populations in the district school system, provided that the Sponsor has received proficiency data from the Florida Department of Education. If proficiency has not been transmitted by the Florida Department of Education, the deadline in this paragraph will be extended until such time as such data is received and processed by the Sponsor. The data shall include proficiency and growth on state assessments for English Language Arts and Mathematics by grade grouping (grades 3-5, 6-8, 9-11) for the following student groups:
 - i. Students scoring a level 1 on prior year assessment
 - ii. Students scoring a level 2 on prior year assessment
 - iii. Students scoring a level 3 or higher on prior year assessments
 - iv. Students with disabilities
 - v. English Language Learners

3. By October 15th of the first year of the School's operation, the School shall provide its proposed academic achievement goals for the current year to the Sponsor. The academic achievement goals shall include, at a minimum, growth and proficiency on state assessments, and may include performance on additional assessments included in the approved charter application. The school's projected graduation goal is 80%. If the school will not serve students in grades that participate in the statewide assessments the academic achievement goals shall be based on the assessments included in the approved application, and at least one assessment administered in traditional public schools in the District.
 - i. The Sponsor shall review the proposed academic achievement goals within 30 days of receipt. If the Sponsor does not accept the proposed academic achievement goals it shall provide the School a written explanation. If the School and Sponsor cannot agree on academic achievement goals either party may request mediation pursuant to section 1002.33(6), Florida Statutes. If the Sponsor does not provide written notification within 30 days of receipt, the goals shall be deemed accepted by the Sponsor.
4. By October 15th of the second year of the School's operation, the school shall provide its proposed academic achievement goals for the remaining years of the contract, up to a maximum of four years or the end of the current contract term, whichever occurs first, using the same parameters and testing set forth in Section 2.A.3, above. Schools that have contracts in excess of five years shall resubmit proposed academic achievement goals every four years pursuant to the process described in this paragraph.
 - i. The Sponsor shall review the proposed academic achievement goals within 30 days of receipt. If the Sponsor does not accept the academic achievement goals it shall provide the School a written explanation. If the Sponsor does not respond within 30 days of receipt the academic achievement goals are deemed accepted. If the School and Sponsor cannot agree on academic achievement goals either party may request mediation pursuant to section 1002.33(6), Florida Statutes. The goals may be adjusted at any time upon mutual written consent of both parties.
5. Annually, the School shall report its performance against the academic goals. If the School falls short of the academic achievement goals set forth under the provisions of this contract the Sponsor shall report such shortcomings to the FDOE.
6. The School and Sponsor may agree to adjust the goals through a contract amendment or addendum.

7. **Methods of Measurement:** The methods used to identify the educational strengths and needs of students are set forth in the approved Application.
8. **School Improvement Plans:** The School shall develop and implement a School Improvement Plan as required by section 1002.33(9)(n), Florida Statutes and applicable State Board of Education Rules or applicable federal law.

B. Assessments:

1. **State required assessments:** All students at the School will participate in all State assessment programs and assessments required by law. The School shall facilitate required alternate assessments and comply with state reporting procedures.
2. **Additional Assessments:** Students may participate in any or all District assessment programs in which the District students in comparable grades/schools participate and shall participate in any other assessments as described in the Application. The School shall be responsible for the costs of District assessments that are not required by law or this Charter, except those developed with federal funds or those developed using Florida's Item Bank and Test Platform
3. **Accommodations:** If an IEP, 504 Plan and/or an EP for a student indicates accommodations or an alternate assessment for participation in a State assessment, or District assessment, as applicable, the School will facilitate the accommodations or alternate assessment and comply with State reporting procedures.
4. **Assessment Administration:** All School personnel involved with any aspect of the testing process must abide by State policies, procedures, and standards regarding test administration, test security, test audits, and reporting of test results. The Sponsor shall invite the School staff to District offered training related to State assessment administration and, as applicable, District Assessment administration, at no cost to the School. The Sponsor shall provide to the applicable School staff all services/support activities that are routinely provided to the Sponsor's staff regarding implementation of District and State-required assessment activities. The School shall designate a testing coordinator and shall be responsible for proper test administration. The School shall permit the Sponsor to monitor and/or proctor all aspects of the School's test administration, if the Sponsor deems it necessary.
5. **Reporting:** The District shall provide the School with reports on District and State assessments in the same manner and at the same time as for all public schools in the District.

6. **Technological Infrastructure:** The School shall, at its expense, provide adequate technological infrastructure to support all required online test administration.

The School may provide enrollment preferences as allowed for in section 1002.33(10), Florida Statutes. Further, the School may limit the enrollment process to target specific student populations as set forth in section 1002.33(10)(e), Florida Statutes as described in the approved application.

The School will accept all eligible students in accordance with federal and state anti-discrimination laws and in accordance with the Florida Educational Equity Act, section 1000.05(2) (a), Florida Statutes. The School will not discriminate on the basis of race, gender, ethnicity, religion, national or ethnic origin or disability in the admission of students. The school may not request prior to enrollment, through the application or otherwise, information regarding the student's prior academic performance, whether the student is a student with a disability, or for IEPs, accommodation plans or any other documents relating to the student's status as a student with a disability.

The School shall be non-sectarian in its programs, admissions policies, employment practices and operations. The School will meet all applicable state and local health, safety, and civil rights requirements.

- B. **Non-Discrimination:** The School shall make reasonable efforts, in accordance with federal law, to achieve a racial/ethnic balance reflective of the community it serves or

within the racial/ethnic range of other public schools in the District and shall not discriminate against students with disabilities who are served in Exceptional Student Education programs (ESE) and students who are served as English Language Learners (ELL).

If the District is operating under a federal order or other resolution or settlement agreement, the School shall comply with those requirements applicable to charter schools that are not considered a local education agency (LEA). The charter school is not required to comply with federal requirements applicable to charter schools also considered to be an LEA.

- D. Eligible Students:
 - 1. Each year, the School agrees to enroll an eligible student by accepting a timely application through deadlines as determined by the Governing Board and publicly advertised. If the target goal of students is not met by the deadline, and the school wishes to extend, the School will give sufficient public notice and extend the application deadline for a set time as determined and publicized by the governing board. If, at the 10 day count, the registered enrollment as reflected in the Sponsor's data system is less than 75% of the School's total projected enrollment as described in either the approved application for the first year or as determined under the provisions of Section 3.G. of this contract, the School shall, upon request by the Sponsor, submit a revised budget within 30 days taking into account the reduced enrollment. Failure to provide the revised budget may constitute good cause for termination.
 - 2. If the number of applications exceeds the capacity of the program, class, grade level, or building, all applicants shall have an equal chance of being admitted through a random selection process. The School may give preference in admission to students or limit the enrollment as provided for in section 1002.33(10), Florida Statutes. The School shall clearly indicate in its Policies and Procedures the lottery procedures, and any/all enrollment preferences the school will utilize.

School shall have and maintain a minimum of 75 students. The School acknowledges and agrees that these minimums are necessary in order to generate sufficient FTE to ensure financial viability of the School, and that failure to maintain these minimum enrollments shall constitute good cause for termination of the Agreement. Any increase in the maximum number of students noted herein above must be approved as an amendment to this Charter by Sponsor at a regularly scheduled School Board meeting. Further, before any increase in the maximum number of students of 100 or more from the number of students noted herein above, whether such increase be in one request or cumulative over time, School must follow the same procedure and meet the same standard relating to siting approvals of original locations.
 3. **Final Enrollment Projection:** No later than June 1 of each year, the School shall provide to the Sponsor the School's final enrollment projection for the upcoming school year. For purposes of this contract, final enrollment projection is not annual capacity, but is the School's projection for how many students will be enrolled when the school year begins as will serve as the basis for initial FEFP payments. Such projection shall be reviewed and approved by Sponsor, such approval not to be unreasonably withheld. If Sponsor does not approve of

projection, Sponsor and School will work together to determine a projection that is agreeable to both parties.

Disagreements between the Sponsor and the School relating to enrollment capacity will be resolved using the dispute resolution provisions in this Charter and section 1002.33, Florida Statutes. The School shall not enroll students in excess of the physical capacity of the building, unless the School operates multiple sessions, in which case, the physical capacity of the School shall not be exceeded during any session.

The information shall be made available to the Sponsor upon written request. However, such requests may not be made until after the October survey period. The School shall maintain documentation of each enrollment lottery conducted. Such documentation shall provide sufficient detail to allow the Sponsor to verify that the random selection process utilized by the School was conducted in accordance with section 1002.33(10)(b), Florida Statutes. Records must be maintained in accordance with applicable record retention laws.
- I. **Exceptional Students:** Exceptional students shall be provided with programs implemented in accordance with applicable Federal, state and local policies and procedures; and, specifically, the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973, sections 1000.05 and 1001.42(4) (1) of the Florida Statutes, and Chapter 6A-6 of the Florida Administrative Code. Parents of students with disabilities will be afforded procedural safeguards in their native language, consistent with the manner that those safeguards are provided in the District's traditional schools or using the District's materials. Unless the School is specifically for students with disabilities, the School shall not request through the School's application a student's IEP or other information regarding a student's special needs, nor shall the school access such information prior to the enrollment lottery.

Upon enrollment, or notice of acceptance sent to the student, the School may request from the District information related to the student's program and needs, including the student's most recent IEP, which shall be provided within 10 days. If the School believes, upon review of the IEP, that the student's needs cannot be met at the School an IEP meeting shall be convened within 30 days. The Sponsor shall be invited to and may attend the meeting, at which time the IEP team shall determine whether the School is an appropriate placement for the student.

A representative of the Sponsor shall be invited to participate in all IEP meetings. The Sponsor retains the right to determine whether or not to send a representative to such meetings.

The Sponsor will serve as the LEA at all eligibility staffings and IEP meetings for all students. The School will provide the Sponsor with the names of School representatives who will participate, pursuant to state and federal law, in IEP meetings as School-based personnel.

The School will provide reasonable accommodations to students with a physical or mental impairment which substantially limits a major life activity, if and to the extent required to enable such students to have an opportunity to be successful in their educational program equal to that of their non-disabled peers. In the event that the student, parents, or guardians prevail, either through a hearing or settlement, the School shall pay any and all attorneys' fees, reimbursements, compensatory education and any other costs incurred, agreed upon or awarded; however, the District shall assume and/or reimburse the costs of the defense attributable to, caused by or through the fault of the District, if any. Costs and fees incurred will be automatically reduced from the FTE funds passed through the Sponsor to the School, without any penalty of interest, although the School may request and the parties agree to a payment plan.

The School may not withdraw a student involuntarily for poor academic performance, for poor attendance or for a minor infraction of the School's Code of Conduct. The School shall provide all required information within the same schedule required for all other of Sponsor's schools. The School shall not use the Sponsor's data processing system to access information on any students other than those currently enrolled in the School.
- iii. If the School submits data relevant to FTE, Federal, or grant funding that is later determined through the audit procedure to be inaccurate, the School shall be responsible for any reimbursement to the State, the United

States Department of Education or the District for any errors or omissions in data that the School submitted provided that the District has timely sent notice to the School of alleged errors discovered through such audit(s) so that the School, on its own, or through the sponsor, at the School's expense may participate in any proceedings to challenge or appeal such audit findings. The District shall deduct any such adjustments from the School's subsequent revenue disbursements evenly over the remaining months of the fiscal year or according to an agreed upon payment plan.

- iv. If the Sponsor receives notice of an FTE funding adjustment, or any other State or Federal adjustments, which is attributable to noncompliance by the School, the sponsor shall deduct such assessed amount from the next available payment otherwise due to the School. If the assessment is charged near the end of or after the term of the Agreement, where no further payments are due to the School, the Sponsor shall provide prompt notice of the School and the School will reimburse the full amount to the Sponsor within thirty (30) days.

The Sponsor's payment to the School shall be issued not later than ten (10) working days after the Sponsor receives a distribution of State or Federal funds. If a

Each payment will be one-twelfth (1/12) of the funds described in Section 4.A.1., above, less the administrative fee set forth in Section 4.A.3, above. The first payment will be made by July 15. Subsequent payments will be made no later than the 15th of each month beginning with August 15.
- ii. For each year of the Contract, monthly payments will be calculated as follows:

Otherwise, the Sponsor shall fund the School based on the number of students actually registered as of the first day of the month.
 - b. Thereafter, the recalibrated results of full-time equivalent student membership surveys, as made available to the Florida Department of Education, shall be used in adjusting the amount of funds distributed monthly to the charter school for the remainder of the fiscal year. Until recalibrated state reports are made available to the Sponsor, either projected enrollment or number of students actually registered as of the first day of the month, as set forth in subsection (a) above, will continue to be used for payment purposes.
 - c. Payments will be adjusted retroactively for prior period adjustments.
- iii. Payment shall not be made, without penalty of interest, for students in excess of the School facility's valid capacity as determined by the School's Certificate of Occupancy, Certificate of Use, or Fire Permit or in excess of the annual enrollment capacity for the school year (whichever is less). In the event that the required county and/or municipality facility permits do not indicate a facility capacity, the School must submit a letter from the architect of record certifying the capacity of the facility.

- iv. The Sponsor may withhold monthly payments, without penalty of interest, if the School's Certificate of Occupancy, Certificate of Use, or Fire Permit has expired or has otherwise become invalid. The Sponsor shall release, in full, all funds withheld under this provision when the School has cured the deficiency.

- v. The District shall make every effort to ensure that the School receives timely and efficient reimbursement of funds. Other than those payments provided for in this Contract, for which other requirements for timely payments have been made, the payment shall be issued no later than ten (10) working days after the District receives a distribution of state or federal funds. Payment shall be made to the account in a state approved depository specified and approved by the Governing Board at a public meeting. Nothing herein shall prevent the Governing Board from directing the deposit of payments with a trustee or other agent in connection with any financing or extension of credit.

Notwithstanding the foregoing, distribution of FTE funds may be withheld, upon written notice by the Sponsor, if any of the following occurs:

c. If the School fails to provide ESE or ELL services and the Sponsor is required to provide those services to students in the School, an amount equivalent to the FTE earned for those services for the period in which they were provided by Sponsor will be deducted from FTE funds transmitted to the School.

The Sponsor shall release, in full, funds withheld under this provision within 10 days of receipt of the documents that resulted in the withholding of funds.

Any deficit incurred by the School shall be the sole fiscal responsibility of the School and the Sponsor shall have no liability for the same.

- F **Legal Requirements:** If the School transports students or provides for the transportation of students, it shall do so in a manner consistent with the requirements of applicable state and federal law, and shall maintain records sufficient for pre and post auditing purposes. At the request of the parent or guardian, the School will provide transportation for a homeless student. Any brochure, flyers or other multi-media and telecommunications information furnished/published by the School shall communicate that the School will provide transportation and the manner in which it will be made available to the School's students. The School agrees to monitor the status of the commercial drivers licenses of each School bus driver employed or hired by the School (hereafter "School Bus Drivers") unless it contracts with Sponsor to provide such services. The School will provide the Sponsor, an updated list each quarter of all School Bus Drivers providing commercial driver's license numbers, current license status and license expiration dates. Sponsor shall be delivered in accordance with the policy provisions or within 10 days of cancellation, whichever is sooner.

- G. **Failure to Secure and Maintain:** Failure to secure and continuously maintain all insurance listed in items A-E without cure after written notice above may constitute grounds for termination of this charter.

In the event of any claims described in Section 8(H) above, the School and Sponsor shall notify one another of any such claim promptly upon receipt of same. The School and Sponsor shall each have the option to defend such claims with their own counsel at the expense of the other party. M. Notice of Claims:

1. **Time to Submit:** The School shall provide the Sponsor with proof of insurance pursuant to Section 8(F) of this Contract.

- L. **Conflict Between Charter and Florida Law:** In any case where this charter conflicts with Florida law, the terms of the applicable Florida Statute, State Board Rule, or case law will control over the Charter.
- M. **Conflict/Dispute Resolution:** Subject to the applicable provisions of section 1002.33, Florida Statutes, as amended from time to time, all disagreements and disputes relating to or arising out of this Charter which the parties are unable to resolve informally, may be resolved according to the following dispute resolution process, unless otherwise directed or provided for in the aforementioned statute. Nothing herein shall be construed to limit the Sponsor's ability to immediately terminate this Charter in accordance with section 1002.33(8)(d), Florida Statutes. It is anticipated that a continuing policy of open communication between the Sponsor and the School will prevent the need for implementing a conflict/dispute resolution procedure.

The following dispute resolution process, not otherwise pre-empted by section 1002.33, Florida Statutes, shall be equally applicable to both parties to this Charter in the event of a dispute. All disagreements and disputes relating to or arising out of this Charter which

the parties are unable to resolve informally, may be resolved according to the following dispute resolution process:

Step 1 -- The persons having responsibility for implementing this Charter for the grieving party will write to the other party to identify the problem, propose action to correct the problem and explain reasons for the proposed action.

Step 2 -- The person having responsibility for implementing this Charter for the other party will respond in writing within fifteen (15) calendar days, accepting the proposed action or offering alternative solution(s) to the problem. A meeting of representatives of the parties may be held to reach agreement on the solution and subsequent action.

Step 3 -- Upon resolution of the problem, the responsible personnel from both parties will develop a joint written explanation indicating the resolution. This document will be retained with this Charter. If an amendment to the Charter is necessary, the amendment will be submitted for action by both parties.

Step 4 -- If efforts at agreement within a reasonable time are unsuccessful, the parties may have recourse to their available legal remedies, including, without limitation, mediation through the FDOE or those additional remedies set forth in section 1002.33(6)(h), Florida Statutes.

N. Citations: Whenever a Florida Statute or State Board of Education Rule is referenced in this Charter, it shall be construed to mean the statute or rule in effect on the effective date of this Charter, and as it is amended from time to time.

School Board policies will not control this Charter or be incorporated herein absent written consent of the Governing Board, as provided by Florida law, unless the School agreed to such policies in the approved Application or otherwise agreed to by the Governing Board in writing.

If the Sponsor subsequently amends any agreed-upon Sponsor policy the version of the policy in effect at the time of the execution of the charter, or any subsequent modification thereof, shall remain in effect and the Sponsor may not hold the charter school responsible for any provision of a newly revised policy unless the revised policy is mutually agreed upon.

Upon the Sponsor's revision of a mutually agreed upon Sponsor policy, the Sponsor shall provide written notification to the School and Governing Board. The written notification shall include the revised policy and shall allow the Governing Board 45 days to reject the revised policy. If the Governing Board does not provide written notice of its rejection of the policy, the revised policy is deemed accepted by the Governing Board. If the Governing Board rejects the revised policy it shall remain bound by the policy as it

existed at the time the Governing Board agreed to it.

- O. Interpretation: The headings in the Charter are for convenience and reference only and in no way define, limit or describe the scope of the contract and shall not be considered in the interpretation of the Charter or any provision hereof. This Charter is the product of negotiation between the parties and therefore the terms of this Charter shall not be construed against either party as the drafter.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized agents, the day and year first above written.
